Lucid-45W

Lucid-45W is a high-capacity 20000mAh power bank that combines powerful charging with a striking transparent design. Its clear acrylic housing offers a modern look, while the integrated 67.5cm retractable USB-C cable supports both input and output with up to 45W Power Delivery. A built-in USB-C port and 18W QC 3.0 USB-A output enable charging for up to three devices simultaneously. Featuring an LED digital battery display, convenient lanyard, PD and QC fast charging support, and durable Acrylic PC + ABS construction, Lucid-45W delivers reliable power with style and convenience wherever you go.

Visible Power Design:

The crystal-clear acrylic housing gives Lucid-45W a bold, modern identity, turning a practical power bank into a standout tech accessory with premium shelf appeal and instantly recognizable styling.

45W Fast Charging Performance:

With up to 45W USB-C Power Delivery output, Lucid-45W delivers strong charging speed for smartphones, tablets, and compatible USB-C devices, helping reduce downtime throughout busy days.

Retractable Cable Convenience:

The integrated 67.5cm retractable USB-C cable keeps charging simple and organized, eliminating cable clutter while supporting both input and output for greater everyday convenience and portability.

Charge Three Devices:

A versatile triple output setup allows Lucid-45W to charge up to three devices at once, making it ideal for users carrying multiple gadgets or sharing power when needed.

Smart Power Monitoring:

The LED battery display provides a clear view of remaining power, helping users track battery status instantly and plan recharging with more confidence during travel or daily use.

High-Capacity Mobility:

Its 20000mAh battery capacity offers dependable portable power for extended use, giving users more freedom to stay connected, productive, and charged away from fixed power sources.

Specifications:

Battery:

Lithium-ion Battery

Capacity:

20000mAh(10000mAh*2)

Power:

10000mAh/7.7V/77Wh

Rated Capacity:

12000mAh(5V/2A)

USB-C Port/Cable Input:

5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W PD)

USB-C Port/Cable Output:

5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A (45W PD)

USB-A Output:

5V/3A, 9V/2A, 10V/2.25A, 12V/1.5A (22.5W)

Total Output:

5V/3A (15W)

Max Output Power:

45W Max

Retractable Type-C cable length:

67.5cm
