Qi2 Magnetic Wireless Car Charger (P1404A)

Fast wireless charging up to 15W.

Description:

The UNITEK Qi2 Magnetic Wireless Car Charger offers fast wireless charging up to 15W, keeping your devices powered while you drive. Its strong magnetic alignment securely holds your smartphone for optimal efficiency. Compatible with all Qi-enabled devices, this sleek charger blends functionality with style. Enjoy convenient wireless charging on the go with the UNITEK Qi2 Magnetic Wireless Car Charger.

Product Features:

- **Certified Fast Charging:** This officially Qi2-certified car phone charger delivers up to 15W of power for rapid charging.
- **Secure Magnetic Lock:** The powerful magnetic connection, combined with a high-quality vent mount, enables one-handed placement with perfect alignment, ensuring your phone stays securely in place even on bumpy roads. For rough terrain, it's recommended to use an official MagSafe case.
- **Compatible with Horizontal & Vertical Vents:** The vent mount of this UNITEK Qi2 Magnetic Wireless Car Charger is compatible with both horizontal and vertical vents, effectively addressing common issues with poor compatibility and cradles that easily fall off.
