ProWallet is the next-generation leather wallet engineered for smart organization, security, and peace of mind. With Apple Find My compatibility, Bluetooth 5.2, and a built-in speaker, it offers global tracking and anti-loss functionality so you never misplace your wallet again. Crafted from premium leather and scratch-resistant material, it combines durability with elegance. Its RFID-blocking technology shields your cards from digital theft. The compact design includes multiple card slots, a cash pocket, six Micro SD/SIM card slots, and a SIM tool holder - perfect for travel or daily use. Powered by a 110mAh rechargeable battery, it lasts up to 6 months on a single charge and charges wirelessly. Compatible exclusively with Apple devices via the Apple Find My network, it ensures total control and security wherever you go.

Wide Signal Range

Premium Leather

Apple Find My Global Anti-Loss Tracking:

Stay connected to your wallet worldwide with Bluetooth 5.2 and loud built-in alert speaker for instant location.

RFID Protection for Ultimate Card Security:

Shields your bank cards from unauthorized scanning and identity theft using advanced RFID-blocking technology.

Smart Storage with Extra SIM and MicroSD Slots:

Holds multiple cards, cash, and travel essentials with six MicroSD and SIM slots plus SIM tool storage.

6-Month Battery with Wireless Charging:

Long-lasting battery with magnetic wireless recharging eliminates cables and downtime during trips.

Premium Scratch-Resistant Slim Leather Build:

Stylish, durable design that resists daily wear while maintaining a sleek, pocket-friendly profile.
