

DUAL USB-C & USB-A GaN PD WALL CHARGER

DESCRIPTION

The DYNAMIX GaN Dual-Port Wall Charger range provides fast, convenient charging for compatible laptops, tablets, smartphones & other USB-powered devices. Each charger combines one USB-C Power Delivery port with one USB-A Quick Charge 3.0 port, allowing up to two devices to be connected simultaneously. Available in 25W & 35W models, the USB-C port delivers up to the charger's rated output when used independently, while the USB-A port supports up to 18W Quick Charge 3.0. When both ports are used together, charging power is shared at up to 5V/3A. GaN charging technology, a compact fire-resistant housing & integrated electrical protection make the range suitable for everyday home, office & travel.
