

PartyPulse™ 50Watt

Precision-Tuned HD Audio

Optimized Wireless & Dynamic RGB

SONARI

Sonari is a powerful portable wireless speaker engineered to deliver room-filling sound, bold styling, and reliable outdoor performance. Equipped with Bluetooth 6.0, it ensures stable wireless streaming for music and calls. Its 5-driver acoustic system with woofer, dual tweeters, and passive radiators delivers 50W RMS output with deep bass and clear highs across 60Hz to 20kHz. Designed for indoor and outdoor use, it supports TWS stereo pairing for wider sound. Four RGB light modes create an ambient glow for parties and gatherings. With up to 15 hours of playtime, IPX6 waterproof protection, USB flash drive playback, and a durable ABS body with carry handle, Sonari blends portability, performance, and style.

Massive 50W Acoustic Power:

A high-output 5-driver sound system with dedicated woofer, dual tweeters, and dual passive radiators deliver deeper bass, clearer vocals, and richer stereo detail for an impressively immersive listening experience.

True Stereo Expansion:

The built-in TWS function lets two Sonari speakers connect wirelessly in stereo, creating a wider soundstage and more dynamic channel separation for parties, gatherings, and larger listening spaces.

Direct USB Playback Convenience:

Play music straight from a USB flash drive up to 32GB without needing a phone or app, giving Sonari added flexibility for instant, hassle-free audio access anywhere.

Dynamic RGB Atmosphere:

Four integrated RGB light modes transform every session with vibrant ambient lighting, adding energy and visual excitement that perfectly complements music playback in indoor or outdoor environments.

Ready for Outdoor Play:

With an IPX6 waterproof rating, Sonari is built to handle splashes, light rain, and active use, making it a dependable portable speaker for travel, poolside sessions, and outdoor entertainment.

Long-Lasting Portable Performance:

A high capacity 4000mAh battery delivers up to 15 hours of playback, while the built-in carry handle and rugged ABS housing make Sonari easy to carry, place, and enjoy anywhere.

Specifications:

Wireless Version:
V6.0

Wireless Profile:
A2DP\AVCTP\AVDTP\AVRCP\HFP\L2CAP

Wireless Frequency:
2.402GHz~2.480GHz

Input Rating:
DC 5V/3A / 20V/1.5A

Speaker Output:
RMS 50W (30W + 10W x 2)

Speaker Frequency:
60~20kHz

Speaker Diameter:
Woofer Driver x 1 (105*135mm,4Ω)
+Tweeter x 2(φ52mm 8Ω)
+ Passive Radiator x 2

Impedance:
4Ω/8Ω

SNR:
80dB

Charging Time:
4Hours@ 15W /
2.5Hours @ 30W

Playing Time:
15hrs @ 50% Volume

Battery Type:
Lithium-Ion 18650

Battery Capacity:
7.4V, 4000mAh

Operating Distance:
10m

USB-A Flash Max Capacity:
32Gb

IP Rating:
IPX6

Light Modes:
5 modes

Charging Cable Length:
1m

RF Output Power:
≤20dBm

Product Dimensions:
302x128x136mm

Product Weight:
2200g

Certifications:

Packaging Content:

- Sonari
- User Guide
- USB-C Charging Cable
